Admission to the Concert - Enter through Door #4

Directors, please encourage parents to attend the concert. **There will be a $5.00 admission charge for adults and $3.00 admission charge for students and seniors; children under 12 will be admitted free and no credit cards will be accepted.** There has been some confusion over the ticket prices and process, so please let your families know the costs before arriving at Huntley High School.

Those that need handicap seating will have a separate shorter line straight through to the main entrance of the gym and will be allowed in to sit before the other doors open. **Please let your families know that only ONE person will be allowed to sit with their handicap or disabled person.** This will alleviate the other problem we had last year where the whole family sat with their handicap grandparents and would not move for someone who needed the seat.

The concert will begin at 3:00 p.m.; doors will open at 2:15 p.m. The concert should conclude no later than 5:00 p.m.

Directors should be on hand to assist with all student moves or stage changes, and especially to supervise their own students. Director assistance is also needed at the conclusion of the concert to move equipment from the gym back to the appropriate rehearsal room.
